2 Grammar Review

Aims: To review and practise grammar from the unit. This can be completed when students have finished the unit.

Time: 15–20 minutes

Materials: 1 set of Team A cards cut up for one team of ten students. 1 set of Team B cards cut up for one team of ten students. For additional students, divide into A/B teams and make sure they have corresponding cards.

- Divide students into A/B teams. Give each student in Team A one card from the Team A set. Give each student in Team B one card from the Team B set.
- Students read the sentence half on their card and then try to find the person on the other team with the matching sentence half.
- Tell students to read their sentence halves very carefully as many of them are very similar, but there is only one true match for each sentence.
- Set a time limit of ten minutes for students to go around the classroom and find their partner with the matching sentence half. Once students think they have found their partner, tell them to sit down together. When two thirds of the class is sitting down, get pairs of students to read out their sentences and ask the rest of the class to listen and check if they have correctly identified the matching sentences.
