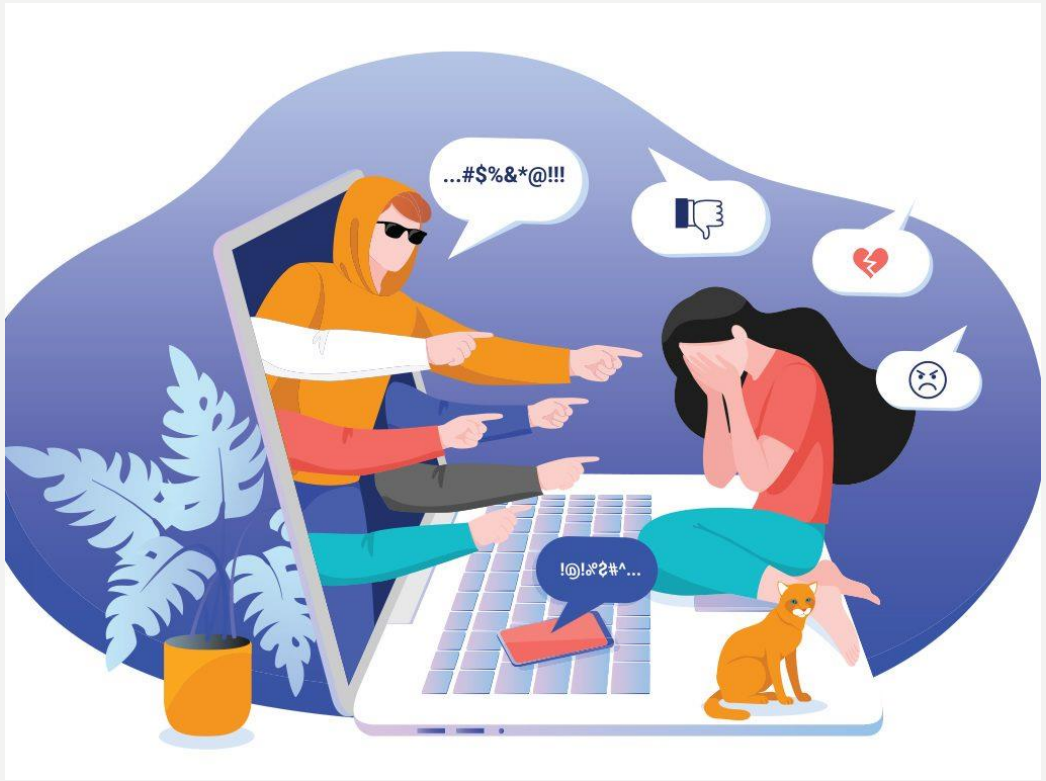
CYBER

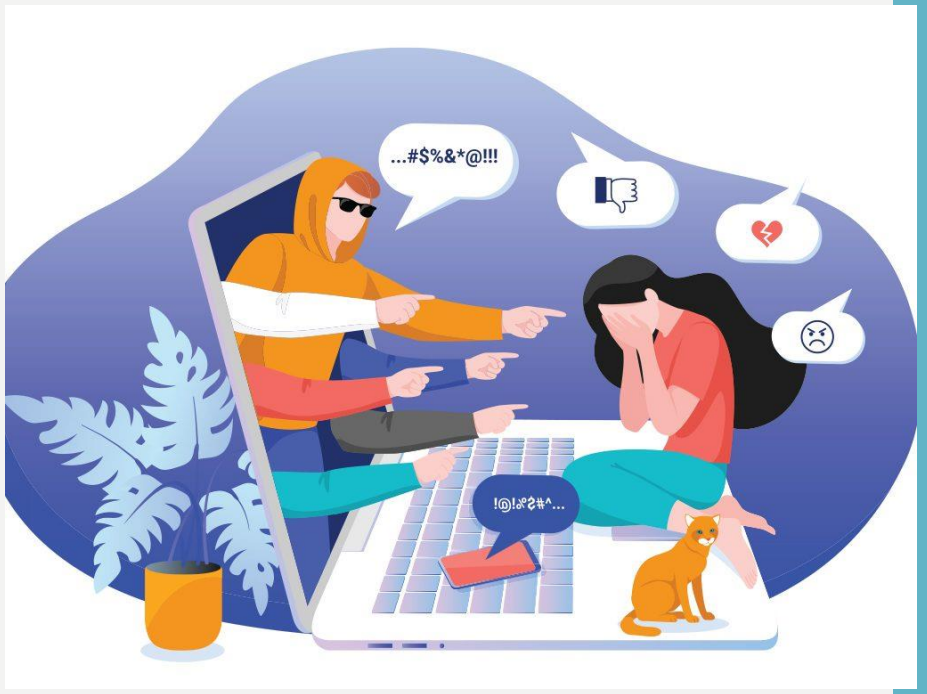
BULLYING

+

+



CYBERBULLYING IS THE USE OF ELECTRONIC COMMUNICATION TO BULLY A PERSON, TYPICALLY BY SENDING MESSAGES OF AN INTIMIDATING OR THREATENING NATURE.



1 **SPEAKING** Work in pairs. What is ‘cyberbullying’? Give one or two examples (real or invented).

DO YOU KNOW HIM?

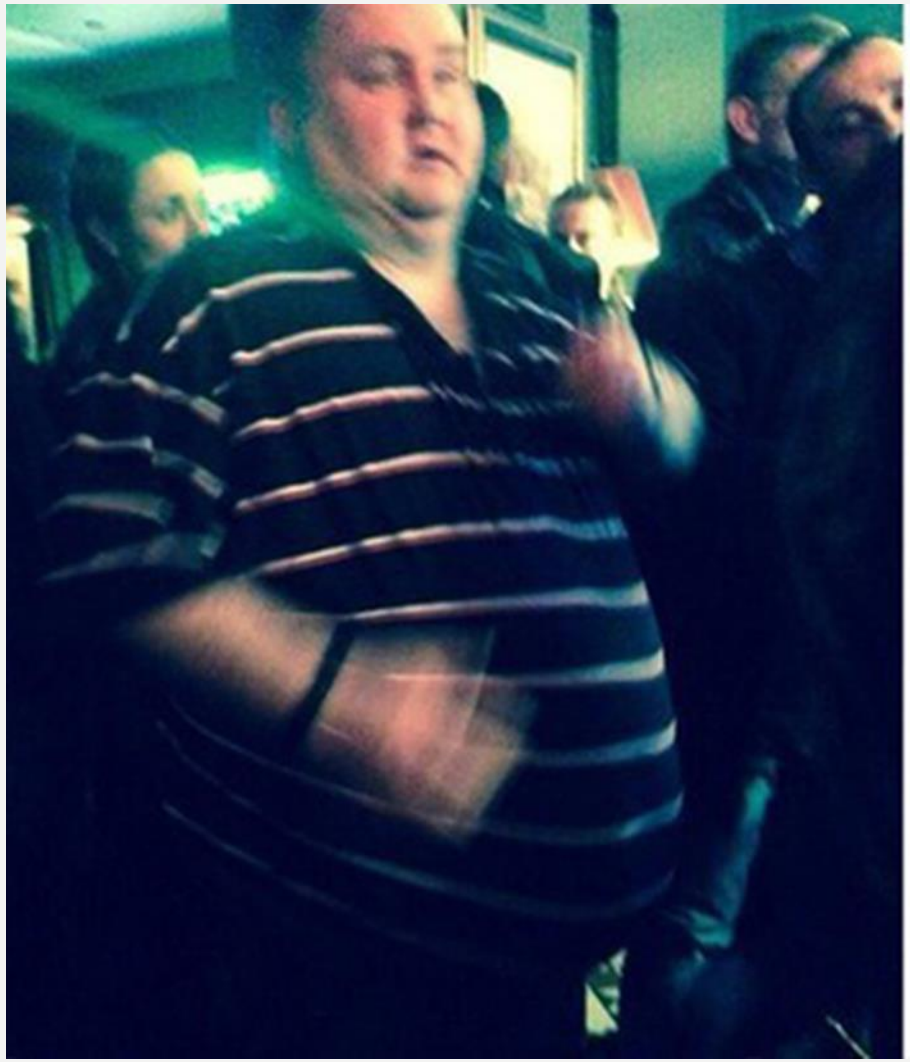
MEET SEAN O'BRIEN!

WHY IS HE FAMOUS?

WHY IS HE FAMOUS?

IS HE A VICTIM OF CYBERBULLYING?

- It happened in a **gig** in London.



- It happened in a **gig** in London.
- Gig: a single performance by a musician or group of musicians, especially playing modern or pop music, or by a comedian.

2 Read the text, ignoring the gaps. What kind of cyberbullying does the text mention? Is it like the examples you thought of in exercise 1?

PEOPLE POWER

In March 2015, a British man went to a gig in London. He liked the music and he began to dance. Because he was a large man, other people noticed his dancing. A few of them laughed and took photos of him. When the man saw their reaction, he stopped dancing and looked sad.

A few days later, the photos appeared on a well-known internet forum. There were comments about the man's dancing and some of the comments were very unkind. The man was a victim of cyberbullying. But that wasn't the end of the story; it was only the beginning.

A group of people on social media, including an American writer called Cassandra Fairbanks, were angry about the cyberbullying. [1] _____ They decided to have a huge party for him in California. But they didn't know who he was! However, it quickly became a viral story and Twitter users started a hashtag campaign: #FindDancingMan! [2] _____ Sean O'Brien was his name. He was originally from Liverpool but lived in London.

Cassandra Fairbanks and her friends on social media began to organise the party for Sean in Los Angeles. They also set up an online fundraising page to pay for Sean's ticket to the USA. [3] _____

They gave the extra money to anti-bullying charities. By this time, the story of 'Dancing Man' was well known. When Sean opened his own Twitter account (@dancingmanfound) he quickly got more than 80,000 followers. Celebrities offered to help with the party and American TV shows wanted to speak to Sean.

The party took place at a nightclub in Hollywood in May 2015. About 1,000 people were there and they danced to music from celebrity DJ Moby. [4] _____ But it was just part of an amazing weekend in the USA. Before the party, he appeared on *Today*, one of the most popular shows on American TV. On the show, he danced with Meghan Trainor. The day after the party, he threw the first ball of an important baseball match. So in the end, a story about cyberbullying became a story about kindness. 'It really shows the power of people,' said Cassandra Fairbanks.

Reading Strategy

When you do a gapped sentence task, think about the order of events within a text. Having a clear idea of the sequence helps you to check that your sentence fits.

3 Read the Reading Strategy. Then put these events into the order in which they happened.

a Cassandra Fairbanks raised money for Sean O'Brien's plane ticket.
b Photos of Sean O'Brien appeared on an internet forum.
c Sean O'Brien threw the ball to start a baseball game.
d Sean O'Brien danced at a gig.
e There was a big party for Sean O'Brien in Hollywood.
f Cassandra Fairbanks started a campaign on Twitter.
g Sean O'Brien appeared on an American TV show.

1 d, 2 . . .

4 Match gaps (1–4) in the text with sentences (A–E). Use your answers to exercise 3 to help you. There is one extra sentence.

A This quickly raised more than $20,000.
B After one day, they found him.
C Two days later, he returned to England.
D Afterwards, Sean said, 'It was the best night of my life!'
E They wanted to help the man.

5 Read and listen to the complete text. Check your answers.

STORY | UPDATES (0)

Homeward Trails animals come mostly from rural, high-kill shelters where almost 9 of 10 animals are euthanized simply due to space!

We bring them to DC for foster and adoptive homes, medical treatment, and behavior modification.

We also take in hundreds of local animals - strays and those whose owners can no longer care for them. We prevent them from taking up space at local shelters by bringing them into our foster program.

We are happy to announce we are opening up a new shelter in VA and need your help!
