We learn English at school. This can help us speak to other people in English. How can we be **GOOD** learners of English? Here are five top tips!

I read in English. I **read comics** in English. Comics are good because they are short and they've got pictures. I think reading helps me learn new words and phrases.

I **watch TV** in English. When I watch TV in English, I can also put on English subtitles so I can read what they say, too. This helps me understand more.

I've got an English pen pal, a friend I write to. Every month I **write letters** to him in English and he writes letters to me. He's a friend of my family. He lives in England.

I **listen to music** in English. There is lots of pop music in English and I like pop music. I listen to music when I walk to school. I listen and learn the words. Sometimes, I read the words and listen, too. Sometimes I sing in English, but only in the shower!

At home, I **do my English homework** in my bedroom. My brothers and sisters speak and watch TV in the living room, so I can't work in the living room. When I do homework, I stop and take a break every 15 minutes.
