Bruno: I've got one of these. I use it to help me with my homework. When we do projects, I go on different websites and find information. I also play games on it.

4

Victor: We've got one of these in our kitchen. It's really fun. You ask it questions and it can tell you the answer. Well, sometimes it can. It doesn't always know the right answers. It also plays music and helps you remember things.
